TO KNOW CHRIST & MAKE HIM KNOWN

FBC Ramsey Newsletter, February 2020

"For in the Gospel the righteousness of God is revealed - a righteousness that is by faith from the first to the last, just as it is written: 'The righteous will live by faith.'"
Psalm 65:4

At our recent Business Meeting/Worship Celebration, I shared what the Lord has been telling me: that this year we will become very Gospel Centered. It is a core principle around here yet somehow it seems to slip through the cracks as we do ministry. That sounds crazy, but it happens so easily.

You see, we can get so busy doing good in around us, we forget to take it a step further. That step is letting everyone know why we do what we do. We help others because Jesus has helped us. We feed others because Jesus feeds us. We encourage others because Jesus encourages us. It is about taking what Jesus has done for us and doing that for someone else in His name.

The Gospel is not just about getting to heaven or making converts. We do the Gospel a huge disservice if that is what we become about. When we are focused on the number of baptisms or how many people pray a prayer, we lose sight of the real power of the Gospel. The Gospel is God revealing Himself to the world. There is nothing greater than that. To focus on anything else is to diminish the glory of His presence.

We have already begun this focus on the Gospel. We are completing the Passage of Scripture, and I am so incredibly thankful to all of you who helped us in praying, setting up, tearing down, working in and the promoting of this life changing event. It has opened up conversations about both the Bible and the God of the Bible. Now we look forward to more opportunities to show Christ to Ramsey and beyond.

Pastor Jeff

Ministry to Men

- **What is your favorite part of leading the Ministry to Men at FBC Ramsey?**

So far my favorite thing has simply been getting to know our men better. We have some exceptional men in our church and it's exciting to think about the impact that we can have on the world around us.

- **What do you enjoy doing on your days off?**

I enjoy doing a lot of different things, depending on the weather. I love to be outside, so shooting and woodworking are good options during warm weather. When I have to be inside, reading is a great option. In all weather, I love to spend time with Sharle and our grandkids.

- **What's on your Netflix, YouTube or Spotify playlist?**

My YouTube feed is primarily filled with videos in three basic categories: Bible study, guns, military operations.

- **What's your favorite breakfast food?**

BACON! Although I think it is suitable for any meal!

Meet Pastor Andrew & April Lewis

Andrew & April have officially started their ministry to students here at FBC Ramsey. They moved here from their home in Florida over the holidays and are getting settled.

They love the snow more than they love the cold temps!

Andrew recently shared his vision for Student Ministry based on Acts 20:27b "...for I did not shrink back from declaring to you the whole plan of God." He desires to teach our students God's Word as a whole through the various ministries available to kids and teens.

2020 will be a year of relationships: our relationship with one another and our relationship with God. We will focus on intentionally building relationships with the students of our community so that they will grow in their relationship with their heavenly Father.

You will see him around the community building relationships, making memories and looking for opportunities to pass down nuggets of truth to students of all ages.

Stop by the office or shoot him an email to get to know him better!

Student Sunday School @ 9am

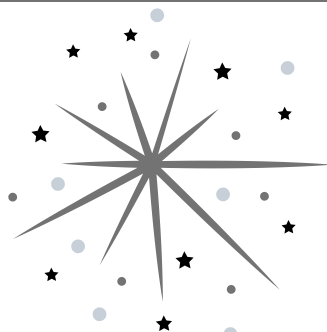

We are continuing in our Bible Studies for Life with the church, and this month we are looking to answer four questions:

- What is God's answer to suffering?
- Does God really understand my pain and suffering?
- Where does comfort come from?
- How can I honor God in my suffering?

Pray that our students see how God can use suffering to bring out righteousness and fulfill His promises.

In Mission Kids we are finishing up our Route 66 study of all 66 books of the Bible. The kids have been studying the theme and content of each book of the Bible. This month they will finish Jude & Revelation! What a road trip it has been! We are looking forward to growing in numbers and growing in Christ as we continue having fun studying the Word of God!

Ignite - Wednesdays @ 7pm 7th - 12th grade

This month we will be answering the question: What is the Gospel? As we discover the message of the Gospel, a special focus will be put on how to share the Gospel. This study will follow the Romans Road week by week as we examine each step in its meaning and application.

Pray that this study ignites a passion for the Gospel within our students and gives them confidence to share the Gospel in their daily lives.

LIT- Sundays @ 5:30-7pm 7th - 12th grade

As Youth Living In Truth meets in the homes of different members of our church family, we will be learning from the life of Abraham. We will be looking at how God worked through Abraham and the importance of faithful obedience to God.
