Our Risen Saviour!

From Pastor Jeff

"He is not here! For He has been resurrected, just as He said. Come and see the place where He lay". - Matthew 28:6

He is Risen! He is Risen indeed! This was the early church greeting to each other. It was a reminder and an acknowledgment of the greatest thing which had ever happened to them. This was more than an Easter greeting, this was their common everyday greeting to each other.

Every December inevitability you will hear someone say, "If only Christmas was all year long." There is so much wrong with this idea when you really process it. 1) We would all be so very fat! Think about all the food we consume during Christmas and imagine eating that all year. 2) We would all be really poor really quick. As great as getting presents is, buying a present every year would be really expensive fast. 3) It gives us an incomplete picture of Jesus. To only focus on His birth, you miss out on so much of what He has done.

However, what if we celebrated Easter every day? Not the candy, eggs, baskets and bunnies part of Easter, but rather the resurrection of Christ part. While Christmas would give us a woefully incomplete picture of Jesus, Easter could potentiality stand alone and give us satisfactory picture of Jesus. Not complete but satisfactory.

What if your greetings and thoughts centered on a risen Jesus? What if the first words out of your mouth to each other was a reminder of the power and glory of Jesus displayed in His resurrection? What if we lived every day with a constant reminder of what Jesus accomplished on the Earth for us?

I hope you are planning to come and celebrate His resurrection with us on Easter Sunday morning and every Sunday after that. Then we can look at each other and with full understanding and complete joy, exclaim to each other, "He is Risen!!!".

Following Him,

Jeff

From Pastor Andrew

The youth have enjoyed being back together for Ignite and L.I.T. On Wednesday nights the youth have been studying Galatians at the church. On Sunday night they have been continuing their study of Old Testament characters and will be moving out of Genesis and into Exodus this month. The group is now on Joseph and is seeing how God has kept His promises all the way back to Abraham.

Mission Kids has been going well. They are still using the gym Wednesday nights to accommodate for social distancing and have been enjoying the new curriculum. The group is always happy to be together. In Children's Church the kids have been working on a song for the Easter Program. They have learned the meaning and scriptures behind the song too.

The youth are excited for the mission trip this summer to Dayton, Ohio. They will be running VBS style programs in parks throughout the city and helping the local church connect with more kids and parents in the area. The youth will be having the annual LUNCH & DESERT AUCTION to support this mission trip. If you are planning to prepare and/or bid on a desert, the youth are extremely grateful.
