History of Rehoboth Church Camp

Rehoboth Church Camp was started because of Claude and Ima Carruthers. They donated 20 acres of their family farm to the Rehoboth Baptist Association in 1954. The land was intended to be used as a camp ground, primarily for all children and youth, who were members and friends of the churches within the Association.

In the past 50 years, thousands of young people have experienced life changing moments during the summer weeks of camp, being involved in crafts, recreation, Bible Study, and the preaching of the Gospel of Jesus Christ.

Many people through the years have contributed to making the weeks of camp a huge success. Thank you to all the volunteers who give of their time to serve at camp. Because of camp, many young people have accepted Christ as their Saviour.

From Pastor Jeff

"Little children, we must not love in word or speech, but in deed and truth;"

1 John 3:18

This has been quite a month for me and my family. Many of you know what we have endured because you have been through similar things. As a result, you know exactly how to pray for us. Some of you may never have experienced the kind of loss we have experienced, but nevertheless, you do know the God we both love and serve and therefore cry out to Him on our behalf and simply trust Him to give us what we need. So, it doesn't matter whether you can relate, your prayers have mattered to us and to God. And we want to say, Thank You!

The love you have shown us is a confirmation of what we have always known about you. You love us, and not just in the things you say or the cards you sent but by the amazing ways you have shown, especially in the past month. Whether it was a meal, cutting our grass, helping us with some travel expenses, allowing us to be away at some times, or just simply giving us a hug, it was helpful, meaningful, and an expression of the love of Christ being seen and felt through your acts.

It has been humbling and overwhelming, but greatly appreciated. We also would ask for your continued prayer as we grieve, hope, celebrate, cry, and laugh in our remembrance of mom and God's work in her life.

Also, this has been eye opening to me concerning many of us who are struggling and experiencing continued loss. Don't forget that after a funeral, the real grieving begins. But at times, that can be the loneliest times as well. So, let's remember each other. Continue to pray for each other. Continue to love and show love to each other as we bear each other's burdens, and weep those who weep.

And if you are the one who is continuing in your grief, we love you and continue to pray for you. So, never forget that we can cast our cares upon Him, because He truly cares for us. When we are weak, then we are strong. He is the lifter of our heads. *He will never leave us nor forsake us.*

Following Him,

Pastor Jeff

From Pastor Andrew

It is hard to believe *summer* will be coming to an end and the *school year* will be starting. It is true, when you are having fun, time seems to go by faster. We kicked off the summer with VBS, then followed it with a mission trip to Ohio. Then July kicked off my week of camp as the director for the older boys' week, and now I set out on the last week of camp for me this summer to the younger boys' camp. It was a joy to see the young kids at VBS and share the gospel with them. It puts a smile on my face when I stumble upon a VBS picture, because I know that picture represents the year *a child accepted Christ*. The week in Dayton with the youth group was awesome! The teens had a great time and made a lasting impact in the lives of some children that needed it. I only wish we could have spent more time building relationships and sharing the gospel with those kids. It was my first time as the director for the association camp and despite my learning curve I enjoyed the opportunity to meet some more young guys in the area. During my week of camp, we focused on what it means to be a godly man. I was pushing these teenage boys to embrace biblical manhood, to turn away from the sins in their life, keeping them from a closer walk with God, and for some accepting Christ. I am excited to learn from the director of the younger boy's camp and be involved in what God has planned for these boys.
