God's love & grace

FROM PASTOR JEFF

“So then, while we have opportunity, let’s do good to all people, and especially to those who are of the household of faith.” - Galatians 6:10

As we come out of October, my heart is so full of thanks and gratitude. October was Pastor Appreciation month and I have to say, once again, we are so overwhelmed by the love and expressions of appreciation you have shown us.

Stephanie and I talk all the time about the last 8 years we have been here and how they have been the best years of ministry for us. You all have been a fountain of refreshment and joy for us. The constant mentions of how you are praying for us and how you love us and the ways you support us are noticed and deeply felt by us.

You have been gracious to us as we have stretched each other and have sought to stretch each other in our view of God and the avenues of ministry we have ventured together. We have never once felt alone or that we were doing this by ourselves. You have been standing with us, shoulder to shoulder, reaching up and out for the glory of God.

The crazy thing is, this feels like, to us, just the beginning. It seems as if we are just getting started. God has brought many of you to us over the last few years and we are excited to see how God is going to add you into the mix. We are overjoyed that God has sent great partners to us in the Philbrick’s and we know that God is going to use them to bless us as we seek to bless them as well.

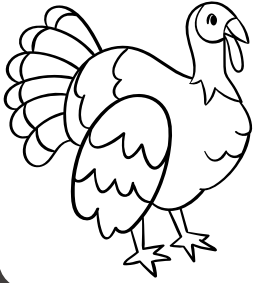

God has been putting all these pieces together for His purpose. We are just along for the ride, and what a wild ride it is sure to be. I can’t wait to see what He is going to do as we venture together seeking to Know Christ and making Him known!

Following Him,

Jeff

FROM PASTOR MATT

“For the Son of Man has come to seek and to save that which was lost.” Jesus came for the salvation of people. Praise God! In youth on Wednesday nights, we have had a good discussion on being people focused. Seeing people not as a project, but rather seeing people as an image bearer of God in need of a relationship with Jesus. Mission Kids have been learning about worship; who do we worship, what is worship, why do we worship, where do we worship, how do we worship, and how worship changes us. October was a great month of fellowship, worship, and encountering God. The youth group spent two evenings, Youth Encounter and Field of Faith, with other students playing games, singing songs, and hearing about God’s plan for their lives. FCA met at the school on the first and third Tuesday of the month for fellowship and discussion on living for Jesus on and off the sports field. Lighthouse experienced a little time change, but the evening went well as we continue to impact our community with the love of Jesus. In October, Mission Kids attended Happy Hollow Farms for an afternoon at the pumpkin patch. It was a beautiful day! Pumpkins were picked, we had a devotion around the fire, and the kids and their families had a great time running around doing various activities. The packing of the Operation Christmas Child Shoes boxes went great! Thank you for all the donations! Be in prayer as those boxes are delivered that they make an impact for the Kingdom of God.

As we move into the Thanksgiving season, the youth will get to experience a fun evening of turkey bowling on Saturday November 12 starting at 4:00pm. The night prior to turkey bowling we will host a Lighthouse event on Friday November 11 from 6:30 to 9:00 where our main game for the night will be glow in the dark volleyball. Both the youth and Mission Kids will meet the first three Wednesday nights of November from 6:00 to 7:00. The youth are invited to attend a lowkey game night at the FUNeral Home (The Philbrick’s) on the 23rd at 5:30pm.

As I close, I am mindful that all thanks be given to God. He provides, sustains, and His salvation is ever before me. All glory be to Him!
