FROM PASTOR JEFF

“And they went out and preached that people were to repent. And they were casting out many demons and were anointing with oil many sick people and healing them.” - Mark 6:12-13

When Jesus walked on the Earth, He did many miraculous things. He performed miracle after miracle. The crowds wanted to make Him king or some burgeoning political leader which would rise up and lead them into better days. He could have easily gathered a large force of eager, desperate men and women and overthrown any and every force they would encounter.

Common sense says, what good is power, if you don't use it? So logic looks at the use of this power as that would accomplish the most good. But Jesus didn't come to lead from an Earthly throne. That would be underneath Him. He didn't come to spread good from on high. That would betray His heart. He came to give each person, not people, but each person what they needed to know the Father.

There is a distinct difference between “people” and “each person.” People can be nameless, faceless, and unknown. Jesus did not want that and neither do we. We are people focused in that we want to get know and touch and care for each person God puts in our path. That can be a difficult task, but it is an important. Each person wants to feel loved and seen and known. Jesus wants to use our eyes, hands, and mouths to reach out so they might Know Him!

So don't be afraid. Be bold. Don't take the easy route but follow the example of Jesus. They need it. You need it. We all need it.

Following Him,

Pastor Jeff

FROM PASTOR MATT

In 1 Thessalonians 5:17 we read, “Pray without ceasing”. What power and presence are found in an active prayer life. Conversation with the Creator, Sustainer, and Lord that encourages, convicts, and brings peace. I have been reminded over the last few months of the importance of praying and how it deepens my perspective on my life in relation to the One I serve and others around me. I would encourage you, much like Paul, to make prayer a priority in your life.

May was the month of ministry taking a pause for the summer, the end of the school year, and the end of some of our students’ high school years. Mission Kids met for the final time this school year. The rain kept us from going over to Dairy Dee for ice cream, but we were still able to pick up some ice cream from there and enjoy it in the gym. Mission Kids will resume on August 28, 2024. The Youth Group pushed through to the end of school and the students did a great job staying focused. The Youth Group will continue to meet during the summer as we prepare for the mission trip, camps, and various other activities. Finally, in May our senior students graduated from high school. I am praying for their future endeavors and for their continued pursuit of the Lord.

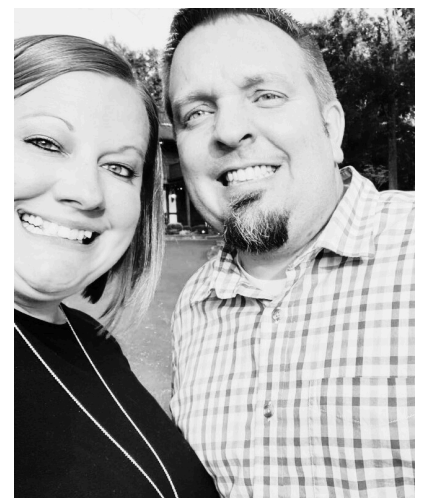

The month of June is going to be another busy one. The first week of June will be Vacation Bible School at FBC Ramsey. The second week the Youth Group is headed on a mission trip to Coal City and Elmwood Park. The last week in June will be an opportunity for some students to experience a week of discipleship through IBSA at Super Summer. Please be in prayer for all of these events that God would not only use our students, but He will continue to develop His character in each one.

Enjoy the beginnings of summer and more importantly, enjoy daily conversations with God.

Pastor Matt
